Career Objective

Motivated Computer Science postgraduate with 6 years of experience in IT training, specializing in Python, web development, and version control. Proficient in Git, GitHub, Docker, and familiar with modern coding tools (VS Code, PyCharm, GitHub Copilot) that support DevOps workflows. Seeking a Python Developer role to contribute my skills to real-world software projects.

Technical Skills

Programming Languages: Python, C, C++, Java
Web Development: HTML, CSS, JavaScript
DevOps & Version Control Tools: Git, GitHub, Docker
Development Tools: VS Code, PyCharm, GitHub Copilot
AI Tools: ChatGPT, Google Colab, Canva, Notion AI
Other Tools: MS Office Suite, Advanced Excel, Tally, DTP, Graphic Design Software

Academic Qualifications

M.Sc. (Computer Science) – Shri R.L.T. College of Science, Akola (Pursuing, 2024 – Present) | SGPA: 8.9
Bachelor of Computer Applications (BCA) – Completed in 2018 | CGPA: 63.14%

Projects

Portfolio Website: Developed a responsive personal website using HTML, CSS, JavaScript, deployed with GitHub and VS Code.

Work Experience

Intern, Python & DevOps Trainee – Kiran Academy (June 2025 – Present)
- Enhancing practical skills in Python, Git, GitHub, Docker.

IT Trainer – Vedant Computer Institute, Akola (June 2024 – March 2025)

- Conducted practical training in Python, web development, GitHub.

IT Trainer – Shankarlal Khandelwal College, Akola (June 2024 – December 2024)

- Delivered hands-on sessions in programming and DevOps tools.

IT Trainer – The Professional Institute, Akola (June 2023 – May 2024)

- Taught junior developers Python, HTML, CSS, JS.

IT Trainer – Kampabhai Vocational Training Institute, Akola (May 2022 – May 2023)

- Led practical coding and project sessions.

IT Trainer – The Professional Institute, Akola (March 2020 – April 2022)

- Guided students in programming fundamentals and tools.

Computer Teacher – Bal Shivaji School, Akola (Oct 2018 – March 2019)

- Taught computer basics and programming concepts.

Programming Trainer – Madhu Infotech, Akola (July 2018 – Sept 2018)

- Conducted short-term C & C++ batches.

Certifications & Achievements

Certified in: C++, Java, Mobile Development, PHP, Digital Freelancing, MSCIT, DTP, Graphics Designing, Advanced Excel, Tally

1st Prize – Seminar Competition (PG Category), National Science Day 2025

Participated in University-level COMPEX Competitions (2016, 2017 – C Programming)

Soft Skills & Languages

Languages Known: English, Marathi, Hindi

Soft Skills: Quick Learner, Hardworking, Disciplined, Sincere, Good Communication
